

COURSE SELECTION SHEET - JUNIORS 2010-2011

Name (print in ink) _____ Phone _____

REQUIRED COURSES:

*(TEACHER RECOMMENDATION REQUIRED; SEE BACK)

CAPS (DUAL ENROLLMENT)

DL (DISTANCE LEARNING COURSE)

Religion III

Government/Economics

Phys Ed/History of the Christian Church

English: _____ American Literature _____ Honors American Literature

Math: _____ *PRE-CALCULUS _____ *Adv Math/Geometry _____ *Geometry

Science: _____ Chemistry _____ Environmental Science I

CAREER FOCUS: (Indicate the Career Focus of your choice)

_____ LIBERAL ARTS/HUMANITIES

_____ BUSINESS

_____ HEALTH/HUMAN SERVICES

_____ GACTC Program: _____

Does your GACTC program require that you take all English courses there? _____ YES _____ NO

Suggested Career Focus Courses

LIBERAL ARTS/HUMANITIES

BUSINESS

HEALTH/HUMAN SERVICES

Art Lab I

ACCOUNTING I

ANATOMY/PHYSIOLOGY

Spanish I

ADV MICROCOMPUTER I

Psychology

French I (DL)

Probability & Statistics

Sociology

Honors Spanish

VISUAL BASIC Prog.

Probability/Statistics

*Music Theory

Business Math

PHYSICS

*Instrumental

Environmental Science I

Intro European History

Selections (Choose any 3; indicate #1 first choice, #2 second choice, #3 third choice)

_____ *Instrumental Music

_____ ACCOUNTING I

_____ ANATOMY/PHYSIOLOGY

_____ Chorus I

_____ ADV MICROCOMPUTER I

_____ Psychology

_____ Art Lab I

_____ VISUAL BASIC Prog.

_____ Sociology

_____ Journalism/Public Spkg

_____ Business Math

_____ Probability/Stat

_____ Intro European History

_____ Probability & Statistics

_____ PHYSICS

_____ Spanish I

_____ Environmental Science I

_____ Honors Spanish

_____ *Music Theory

_____ French I (DL)

DUAL ENROLLMENT

Nine courses at Bishop Guilfoyle High School, designated on the Course Selection Sheet in capital letters, are dual enrollment courses. This means the curriculum and instruction for these courses have been approved by a post-secondary institution as qualifying for college credit. The decision on registering for college credit is not made until late November, allowing the student and parents to monitor success from the start of the school year before making a decision.

Two recommendations are made by the higher education institutions:

(1) Do not apply for dual enrollment status for courses in the major you wish to pursue at college. For example, do not dual enroll math courses if you intend to major in math. Take the course, but do not register for dual enrollment.

(2) Most colleges will transfer dual enrollment courses into their general education requirements. However, to be certain regarding transfer of credits you should check in advance with the college you plan to attend for their pre-approval.

Again, we want our students to take the best courses available at Bishop Guilfoyle High School; however, students should apply for dual enrollment only when applicable.

Dual Enrollment courses and colleges are as follows:

Pennsylvania Highlands Community College

Accounting I – 3 credits

Accounting II – 3 credits

AP Biology – 4 credits

Mount Aloysius College

AP European History – 3 credits

Honors Chemistry – 4 credits

Anatomy/Physiology – 4 credits

AP Biology – 4 credits

Adv Microcomputer I – 2 credits

VISUAL BASIC Programming – 3 credits

Saint Francis University

Pre-Calculus – 3 credits

Calculus – 3 credits

Physics – 3 credits

DISTANCE LEARNING

Distance learning classes are courses taught off campus by outside instructors and taken by our students via interactive video. At present, we are able to offer French I and II.
