

BISHOP GUILFOYLE CATHOLIC HIGH SCHOOL

Preparing For College. Preparing For Life.

FAITH BASED ENVIRONMENT

Walk our halls and witness our uniformed students respecting themselves and others in a safe environment conducive to learning.

"Our Catholic roots are the heart of the school's mission, and I think sharing faith is a key factor in the close-knit community we have at BG."

Jessica Campbell

"It is encouraging to pray with my peers and celebrate my faith everyday at school."

Tatyana Rasmussen

Jessica Campbell and Tatyana Rasmussen
Commended Students, 2010 National Merit
Scholarship Program

ACADEMIC EXCELLENCE

Small class sizes allow individual attention. Earn college credits while in high school by taking dual enrollment & AP classes. **90 percent** of our graduates go to college and are offered more than **\$2 million** in academic scholarships.

"I've greatly enjoyed my BG education. I took Honors and AP courses in subjects that I wish to pursue in college. The BG faculty is passionate about what they are doing and it reflects in their teaching."

Tatyana Rasmussen

OPPORTUNITIES TO PARTICIPATE

We offer dozens of extracurricular opportunities, including 17 PIAA sports. The majority of our students participate in academic and service clubs, as well as compete on athletics teams such fencing, ice hockey and cheerleading.

"Our teachers and coaches are wonderful. They know everyone by name, stay after school to offer additional help, and play a significant role in facilitating extracurricular activities."

Jessica Campbell, volleyball and tennis teams, President of National Honor Society, Drama Club, Mission Club, Spanish Club, Voice for Life, Eco Club, SADD, Forensics Team and Scholastic Scrimmage Team
