

BISHOP GUILFOYLE CATHOLIC HIGH SCHOOL

INCOMING FRESHMEN – SCHEDULING COURSE SELECTION SHEET

2017-2018

Grade Nine Curriculum (ALL REQUIRED):

All freshmen are enrolled in a full academic schedule of classes, eight periods a day.

Old Testament	A comprehensive course on the books of the Old Testament, relating its truths and themes to the contemporary world of the student.
Biology/Lab	This course provides a fundamental approach to living organisms, including: classification, characteristics, and evolution of living things, cell biology, genetics, microbiology, and ecology.
Intro to Literature/Composition	Introduction to literature, review of fundamental grammar and usage, instruction and practice in the writing process. <u>Students are placed based on high school readiness test results.</u>
United States History	Study of US History from 1860 to present, with an emphasis placed on twentieth century and contemporary history.
Mathematics	Pre-Algebra, Algebra I, or Algebra II. <u>Students are placed according to the recommendations of their eighth grade math teacher and high school readiness test results.</u>
Physical Education /Health 9	In this course students study systems of the human body; CPR; drug, alcohol, and tobacco abuse; lifetime health. Additionally, students will learn the principles of physical fitness.
Technology Lab	Instructional emphasis on word-processing, multi0media presentations, Internet applications and spreadsheets incorporated through both Windows and Apple platforms.
Chorus or Band	Students will have the option of taking chorus or band. Band students must have prior experience playing their instrument.
Art Appreciation	This course is an enhanced study of art and its historical progress from the Prehistoric Period to the Renaissance. Basic drawing is introduced using a variety of materials. Students will gain a greater appreciation for the arts.
Language	Spanish I, Spanish II, Latin I, French I, Chinese I
