Students enrolled in courses marked as Dual Enrollment (de) have the option of also earning college credit upon completion of the course(s). Enrollment/Registration/Payment are requirements of the Dual Enrollment Program.

Professor-In-Residence courses (PIR) are taught at Bishop Guilfoyle by Saint Francis University professors. These courses are mandatory Dual Enrollment, including all fees. Coursework and grading are aligned with university policy standards. In order to earn the college credits a student must apply and pay the college for the credits and maintain a “C” average or higher in the class. In these mandatory DE courses, high school credit will not be issued if college credit is not earned.

## Electives:

Electives are your opportunity to explore areas of interest outside of Bishop Guilfoyle's core curriculum. Your core requirements take precedence over your chosen electives and will be scheduled first. Although we try to get every student the desired electives, you are not guaranteed to be placed in your top choice elective(s).

**Choose 5 electives: Please rank them in order—1<sup>st</sup> choice is #1, 2<sup>nd</sup> choice-#2, etc.  
You will only receive THREE electives on your final schedule.**
